To me, this language seems less likely to ruffle their feathers. But as always, I defer to your judgment.

Hi Jeryl – here it is for you “clean-up.” The numbering is all off and some of the language has to be cleaned up but folks can get a gist of what I am proposing. Jeryl/Dale/Kurt and Adam, also please take a look at how I worked the statement of jurisdiction in the first paragraph – does it work? Feel free to suggest alternatives. Thanks! (Dale and Kurt – we also had a very good convo with Delanie this afternoon and she is totally on board re ADC and with the fact that we are sending her a new final draft of HDOA agreement with some fixes (typos, grammar fixes and new language on the General provision re when we will close the monitoring.)

It was a good day! Thanks you team!
